Children's Ministries Updates

September 15, 2020

Caring for Evacuee Children

As you know the Oregon Conference has opened up the Valley field for RV's. The last estimate I heard we had about 120 RV's. As some people return home others will take their place from the Clackamas Town Center.

Thank you, thank you to all of you who donated items last Thursday. I felt like I was living in Moses time and having to tell you all that we have enough. Your generosity was overwhelming!

On Monday we started an activity time with the children from 2-4pm. There were 9 children aged 6-10 years old yesterday. A big thank you to all the volunteers who have helped this week.

We are now asking churches if they can plan a 2 hour program for the children. Please contact me if you would like to serve the children.
